

**AFTER-CARE INSTRUCTIONS
FOR RESURFACED AREAS**

The following will help maintain your resurfaced area

Do not:

- **Do not** use your counter, tub, shower, or appliances for 24 hours after resurfacing.
- **Do not** leave rubber mat in bottom of tub, please remove after each use so underneath surface may dry.
- **Do not** use bleach, oven cleaner or abrasive cleaners such as Comet, Ajax, etc.
- **Do not** use a Scotch Brite Sponge or any other type of abrasive scrubber.

Do:

- **Always** use a non-abrasive spray cleaner such as our new "*Perfect Surface Concentrated Spray cleaner*", Soft Scrub or gel cleaners.
- **Always** use a regular sponge or rag for cleaning your surfaces.
- If you should have any questions regarding your resurfacing, please feel free to contact us at (1 877) 922 5335 toll free.

Thank you again for selecting Perfect Surface
